In consideration of your acceptance of my application for entry in the Bike New Britain, Inc ("the Club"), I, the undersigned, discharge, release and agree not to sue the Club, its officers, directors and their respective agents, employees, volunteers and other representatives from all liability for injury or damage I may incur as a result of my participation in the Club's activities. I acknowledge that the Club and its representatives are not responsible for hazards relating to road, traffic, weather and other conditions, and that ride Leaders and/or route sheets are furnished as a convenience only. I understand that serious accidents may occur during cycling and other recreational activities and that by participating in the Club's activities I may sustain mortal or serious injury. Knowing this, I choose to participate at my own risk and voluntarily assume all risks of loss, damage or injury that may be sustained from such participation. I represent that I am physically fit and sufficiently skilled for participation in such activities which may at times be strenuous. I consent to any emergency medical treatment which may be necessary in the event of my illness or injury during Club activities. I understand that it is my responsibility to keep any bicycle or other equipment I use during Club activities in good mechanical condition. I understand that the use of an ANSI or SNELL approved helmet can prevent serious injury and that I will wear such a helmet at all times while cycling during Club activities. I agree to abide by all applicable laws and traffic regulations during Club activities and cycling safety and other rules of the Club as may be amended from time to time. I HAVE READ, UNDERSTOOD AND AGREED TO THE ABOVE TERMS (parent or guardian must also sign for applicants under the age of 18; all applicants for family membership must sign).
